RETURN PLANNING COMMITMENT NEEDED

Dear MVLA Families,

Below you will find details regarding enrollment in our hybrid in-person learning model. Families will need to decide on or before April 2, 2021, whether they will opt into this model or remain in distance learning. Families will need to commit to a decision for the remainder of the school year.

- **Option 1: Hybrid In-Person Commitment**

Hybrid in-person instruction begins the week of April 19. Student schedule assignments will be published upon confirmation of enrollment. If you choose this option, you must be willing to commit to two full days of in-person instruction taught in a hybrid format.

- **Option 2: 100% Virtual Remote Learning**

Students participate in 100% virtual learning. Your student will continue to work exclusively from home. Students will continue with their same teachers, same class schedule, and the same distance learning model as they used throughout this school year.

Opting in to Option 1 may not be possible after this commitment period, due to safety, facility, and staff constraints.

If you still have questions, please refer to our frequently updated [FAQ](#) document.

Please

Parents
Option 2

Thank you
Mountain

their student(s) placed in

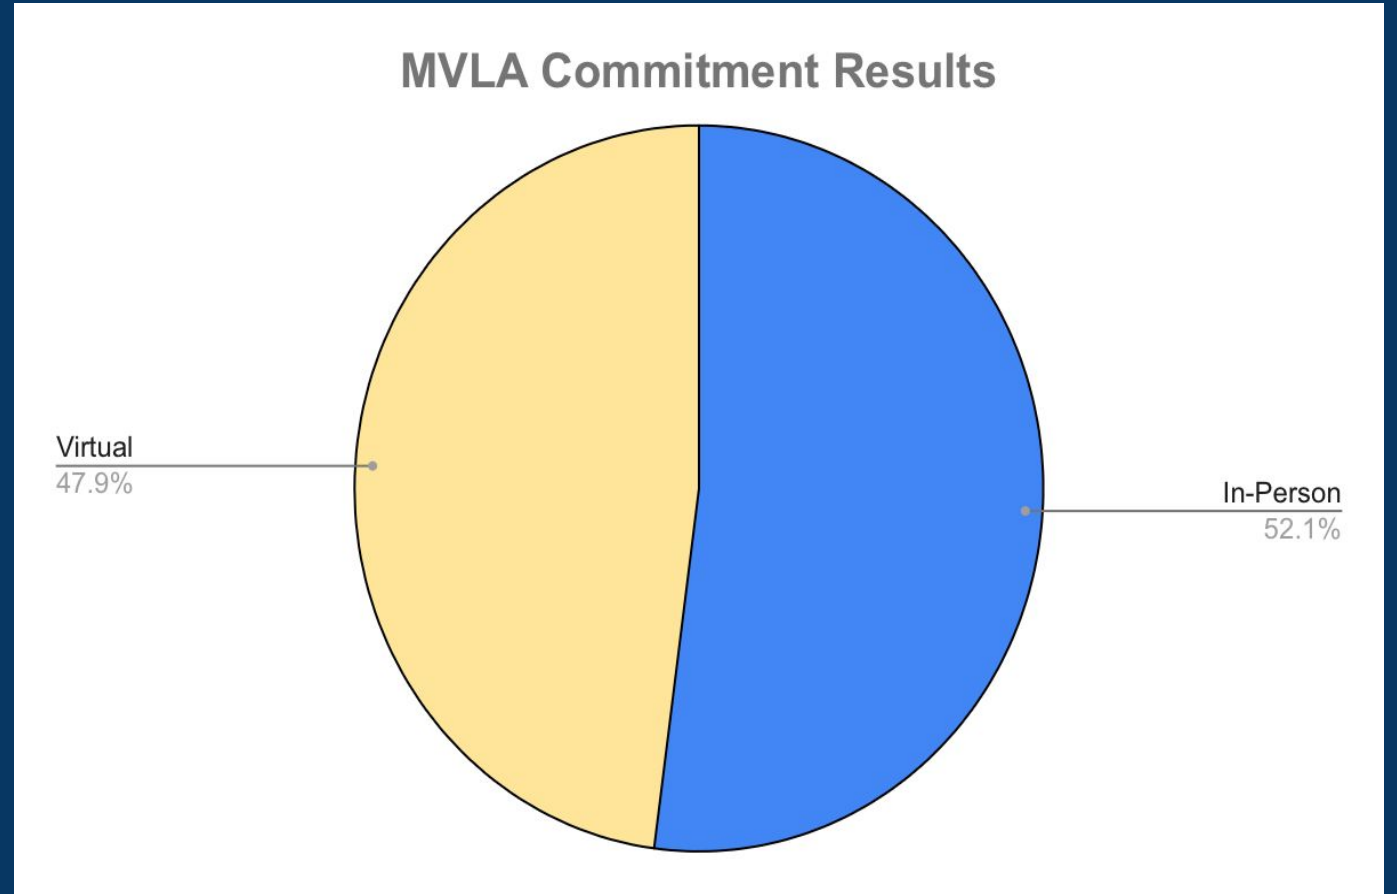

The image shows a digital form titled "MVLA Hybrid Commitment Form". At the top is the MVLA logo in white text on a dark blue background. Below the logo, the text reads "Hybrid Commitment Form" and "To ensure safety for all students, please complete the permission slip below." There are two input fields, both marked with a red asterisk to indicate they are required. The first field is labeled "Email address" and has a placeholder "Your email". The second field is labeled "Student First Name" and has a placeholder "Your answer". A small blue icon is visible in the bottom right corner of the form area.

We currently have the following responses from our commitment letter:

LAHS- 1,116 In person,
1,061 Remote

MVHS- 1,224 In person,
1,016 Remote

Advanced Placement

The College Board has adjusted their administration of the Advanced Placement tests providing three options for 2021 only:

- Option 1- In person only (First two weeks of May)
MVLA will offer AP Music Theory only during Option 1.
- Option 2- In person for select courses (Second two weeks of May)
Option 2 requires World Language to be in person. The College Board allows but does not require some STEM subjects within Option 2 to be taken in person or remote. The remaining tests will be taken remotely.

In option two, students may choose their in person or remote preference for the following: Calculus AB/C, Chemistry, Physics 1/C and Statistics.

- Option 3- Remote only (First two weeks of June)
- Make-up will be provided in June.
