"Care Solace has been a tremendous resource for our students and families. There can be many barriers to access; however, with their persistence and diligence, students and families have been able to get the help they need in order to improve their emotional and mental well-being which impacts their academic success. "

Director, Student Support Services
Fresno Unified School District

Key Benefits

Quick Access to Care

We support equitable access to care regardless of coverage, including private insurance, Medicaid, and sliding scale options for those without insurance.

Extensive Provider Network

Our comprehensive provider database and AI technology allows your community to get connected to the right help at the right time.

Support for Intensive Pathways

We expand on existing school support structures and bridge the gap to community providers for needs that exceed the scope of school-based services.
